Local Ventriloquist Performs For Summer Reading Program

Lowell Tauszik of Razzmatazz Entertainment will be performing at the Dunedin Public Library as part of the Summer Reading Program. This year's program theme is, "Whole Wide World @ My Public Library". This special event is on Friday, July 25th at 2pm. Admission is free, but children need to be pre-registered by calling the library at (727) 298-3080, ext. 240.

As a ventriloquist and magician, Lowell will present the importance of reading, and how the library can teach children about all aspects of the world. "Different cultures, foods, customs and dress, they can learn all about it here", says Lowell. "I want to encourage the kids to keep reading, keep learning and keep using their local library."

Youth Librarian Olivia Wilson agrees. "I'm familiar with Lowell's work and I'm excited to have the chance this year to try something new and different by having him be part of the program." Olivia thinks that having Lowell perform will help get the children involved in the Summer Reading Program. She says,

Lowell Tauszik and his puppets will perform at the Dunedin Library on July 25th.

"It's important that the kids keep up with their reading, so they don't lose their skills over the summer." Plus she sees an added benefit of hiring Razzmatazz: "Ventriloquism is an old fashioned art that the kids don't get to see anymore."

Thousands of children throughout the Tampa Bay area are already familiar with Lowell and his puppets through his performances at their schools or day care centers.
